VALUES & PRIORITIES OF INTP

Inquisitive ANALYZERS; reflective, independent, curious; more interested in organizing ideas than situations or people. Having Introverted THINKING as their strongest mental process, they are at their best when following their intellectual curiosity, analyzing complexities to find the underlying logical principles. They value:

- A reserved outer life; an inner life of logical inquiry
- Pursuing interests in-depth, with concentration
- Work and play that is intriguing, not routine
- Being free of emotional issues when working
- Working on problems that respond to detached intuitive analysis and theorizing
- Approaching problems by reframing the obvious
- Complex intellectual mysteries
- Being absorbed in abstract, mental work
- Freedom from organizational constraints
- Independence and nonconformance
- Intellectual quickness, ingenuity, invention
- Competence in the world of ideas
- Spontaneous learning by following curiosity and inspiration
